

## Customer information „REACH“

Dear customers,

According to Article 33 REACH (EU Regulation No. 1907/2006), we are obliged to inform you if delivered products contain substances of the REACH candidate list<sup>1</sup> in concentrations of  $\geq 0.1$  %. The candidate list contains more than 200 substances, among others lead is listed since 2018. Lead is contained, for example, in free cutting steel in concentrations of up to 0.3 %.

We would like to point out in this context that this is only an information obligation, the products are still marketable. According to our current knowledge, the following product series contain substances on the candidate list:

Identifiers	Product name	Material affected (Product)	Substance
SET-900	Tool of product series SET-900	Free cutting steel	Lead
SET-800	Tool of product series SET-800	Free cutting steel	Lead
SET-200	Tool of product series SET-200	Free cutting steel	Lead
SET-100	Tool of product series SET-100	Free cutting steel	Lead
941	Tool of product series 941	Free cutting steel	Lead
931	Tool of product series 931	Free cutting steel	Lead
841	Tool of product series 841	Free cutting steel	Lead
712	Tool of product series 712	Free cutting steel	Lead
701	Tool of product series 701	Free cutting steel	Lead
431	Tool of product series 431	Free cutting steel	Lead
422	Tool of product series 422	Free cutting steel	Lead
421	Tool of product series 421	Free cutting steel	Lead
391	Tool of product series 391	Free cutting steel	Lead
332	Tool of product series 332	Free cutting steel	Lead
330	Tool of product series 330	Free cutting steel	Lead
311	Tool of product series 311	Free cutting steel	Lead
241	Tool of product series 241	Free cutting steel	Lead
240	Tool of product series 240	Free cutting steel	Lead
231	Tool of product series 231	Free cutting steel	Lead
141	Tool of product series 141	Free cutting steel	Lead
142	Tool of product series 142	Free cutting steel	Lead
161	Tool of product series 161	Free cutting steel	Lead
162	Tool of product series 162	Free cutting steel	Lead
432	Tool of product series 432	Free cutting steel	Lead

131	Tool of product series 131	Free cutting steel	Lead
-----	----------------------------	--------------------	------

According to § 16 f) Chemicals Act, suppliers of articles containing candidate list substances in concentrations of  $\geq 0.1\%$  must also submit a notification to the SCIP database<sup>2</sup> machen.

We have carried out this notification, you can use the SCIP numbers listed here for referencing in your own SCIP notification.

Identifiers	Product name	Reference number/ SCIP-Number
SET-900	Tool of product series SET-900	17382e9e-087b-40ec-994d-1c40c5c9ae3b
SET-800	Tool of product series SET-800	5dfd1416-d2d6-4af4-a4aa-afce6240a180
SET-200	Tool of product series SET-200	c0a8cce4-262b-4c1a-b6b9-2ad67f47f598
